

ht1280

## Stop playing hide and seek with sore muscles.

Tension and stress have a way of hiding in hard-to-reach areas like the shoulders and mid-back. Now you have an easy way of finding and eliminating them. The Human Touch® Acuvibe® HT-1280 handheld personal massager is ergonomically designed to target the areas of the body most prone to frequent aches and pains. And don't let its sleek, minimalist form fool you. This advanced machine is as graceful as a swan, yet it packs the punch necessary to erase stress, soreness and fatigue faster than you can say "oh yeah, that's the spot." Its unique percussion massage technology is designed to deeply relax and revitalize sore, aching muscles. So grab hold of the HT-1280 and discover the power and pleasure of massaging away those once-stubborn back pains.

### More Features for More Comfort

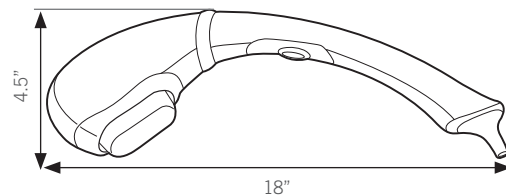

Powerful massaging motor is vibration-dampened and whisper-quiet.  
Effective for easing pain and tension in stiff, sore muscles.

Model number:

1-Year Limited Warranty

### DIMENSIONS

### Graceful as a swan, yet effective as Borislava, the Bulgarian massage therapist.

The HT-1280 is designed specifically for people with sore-muscle pain, tension or stiffness. Though lightweight and easy-to-use, this handheld percussor delivers a professional massage for serious relief.

- Exclusive Human Touch Acuvibe percussion massage technology for deep muscle relief
- Powerful, dual-speed control for either light or vigorous massage
- Ergonomically designed with a natural elbow for easy access to the shoulders and mid-back, as well as other hard-to-reach areas
- Balanced mid-motor design for easy handling
