IP20

The right light

LUXO

Air

Air – asymmetrical task light in a simple and clean-cut design. With its clear expression, timeless design and excellent light distribution, Air is a fine choice for the modern office task light. The spring-balanced arm ensures that Air is easily adjustable and the head remains parallel to the work surface. The shade and arm have a metallic powder coating and the reflector is bright polished aluminum.

- Light source: 35W/12V halogen lamp
- Arm length: 24 in. (600 mm) or ** 35 in. (900mm)
- Available with table/desk base or edge clamp
- Colors: Aluminum Grey, Black
